

inheritance.cpp

```
graph TD; A[inheritance.cpp] --> B[iostream]; A --> C[string];
```

A diagram illustrating the relationship between a C++ file and two standard library headers. At the top, a gray rectangular box contains the text 'inheritance.cpp'. Two dark blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text 'iostream' and the right box contains the text 'string'. This visualizes 'inheritance.cpp' as a source or base that utilizes or builds upon the functionality of 'iostream' and 'string'.
